

Position Description

TITLE: Consultant with Medicaid Expertise
WORK HOURS: Flexible 40 hour per week schedule

ABOUT THE TECHNICAL ASSISTANCE COLLABORATIVE:

Headquartered in Boston, TAC is nationally recognized for its consulting services and policy work at the national and state level on behalf of very low income individuals with mental illness, addictions and other disabilities. TAC specializes in behavioral health, Medicaid, and healthcare service delivery system design and financing at the federal, state and county level. TAC offers a competitive salary, health benefits and pension package to employees.

GENERAL DESCRIPTION OF DUTIES:

TAC is seeking to hire an individual with expertise in Medicaid financing and program design for mental health and substance use disorders. Knowledge of Medicaid state plan and waiver services, managed care strategies, the Affordable Care Act, best practices in program design and financing, government programs and the diverse needs of people with mental illness and substance use disorders are a must. The candidate will manage and support various consulting contracts and project work in states across the country in coordination with TAC Senior Consultants. The candidate must have experience collecting, managing, and analyzing data, and strong writing, verbal and presentation skills.

EDUCATION AND EXPERIENCE:

Ten to fifteen years of progressive experience in Medicaid and behavioral health are required. Executive level or leadership experience at the government level is preferred. This position involves significant travel depending on client needs and projects scope of work. The candidate should be able to work independently and in a team environment.

RESPONSES:

Email cover letter, curriculum vitae and salary requirements to Manager of Operations at info@tacinc.org by April 19, 2013. For more information about TAC, please visit us at www.tacinc.org.
