Payment Information

All fees for Continuing Education Credits will be covered by the Technical Assistance Collaborative.

Continuing Education Credits (CEs) for social workers or licensed mental health counselors can be obtained for attendance at this seminar. In order to obtain credits, participants must attend the whole seminar. Participants are expected to sign-in and out at the session and complete an evaluation. Certificates will be distributed to participants by mail after completion of the seminar. Participants must attend the entire seminar to receive credit (partial credit will not be issued). Participants at BOTH sessions will receive 6 CEs while participants at ONE session will receive 3 CEs for this seminar. While attendance at the entire seminar is mandatory for CE credits, attendance is welcome for those who do not wish to pursue credits. Continuing education credits are provided by Berkshire AHEC.

Application for social work continuing education credits has been submitted to the Collaborative of NASW-MA Chapter. To obtain CE credits, participants will be asked to provide their: name, professional license number, and mailing address on the form. All fees will be covered by TAC. Certificates will be received 4-6 weeks after the seminar.

Berkshire AHEC is an NBCC-Approved Continuing Education Provider (ACEP) and a cosponsor of this program. Berkshire AHEC may award NBCC-approved clock hours for program that meet NBCC requirements. The ACEP maintains responsibility for the content of this event.

Application has been made to Family Development Associates for the certification of hours for Licensed Marriage and Family Therapists (LMFT's).
